

ABOUT US

Founded in 2016 we were the first county in Wisconsin to be Nationally recognized as a Dementia Friendly County. We have trained over 4,000 individuals and more than 50 Police, Fire, First Responders, Faith Communities, business' & organizations.

DEMENTIA

My eyes do see
My ears do hear
I am still Me, so let's be
clear,
My memory may fade,
My walk may slow,
I am Me inside,
Don't let Me go!

OUR MISSION

We are dedicated to creating dementia-friendly communities within Walworth County. These communities will provide those with dementia a safe, respectful, understanding, and supportive environment to help encourage them to be as independent as possible, as well as become more involved in their community.

Join the Dementia Friendly Community Initiative, Inc. a 501 (c) (3) non-profit in this important International project.

Introducing Cycling Without Age

When was the last
time you were this
excited?

WHAT WE NEED

VOLUNTEER BICYCLE PILOTS

“I miss cycling and getting fresh air”

This is what we often hear from the elderly, we meet at various locations through-out the county. Many of them no longer have the physical ability it takes to bike a trip down memory lane, down to the beach or just a trip around to feel that they are still alive. This is how the mission behind Cycling Without Age was born: We want to give elderly the opportunity to feel the wind rush through their hair.

Become a pilot with Cycling Without Age, and you can make a difference in a rewarding community while meeting new people and even getting some free exercise.

Everyone can learn to “pilot” an electric assisted Trishaw.

FULL TRAINING IS PROVIDED

COORDINATORS

Book an event

Now is your chance to get a real Cycling Without Age experience. We are more than happy to come out to your organization, municipality or faith community and share inspiring stories of Cycling Without Age, change-making, social entrepreneurship, and how you can make a difference in your community. We might organize day trips with seniors in collaboration with school classes and excursions for delegations to hear and experience what cycling culture is all about.

How about a parade or other participation in community events?

Help coordinate the use of these Trishaws through-out the entire county.
